Entries made after 23:59 on 31st May 2019: £60

Entries made after 23:59 on 9th June are strictly at the organisers' discretion.

### **Entrants must be members of England Fencing**

Only one event per day per fencer can be entered.

Fencing out of age group is strictly at the organisers' discretion. Contact Alex Savin to discuss the suitability of such an entry. **NB: Fencing out of age group will not count towards ranking points for EF selected trips.**

If an event has reached its entry cap, please join the waiting list. Every effort will be made to allow you to fence.

Entry caps have been raised across the board to allow as many people to fence as possible. This has meant that we are unable to schedule all of the foil and all of the epee on a single day. All three weapons will take place over **both** days.

If all events completely fill, there is a possibility that one event will run the poules over two waves. If this situation arises, full information will be communicated to those affected within 48 hours of the entry closing date.

Refunds for incorrect entries will be arranged through email to Alex Savin. Refunds will be less Sport:80's administration fee. Refunds may take up to 60 days from close of entries to administrate.
