- Men's Foil – Gold
- Men's Sabre – Gold
- Women's Sabre – Gold
- Women's Foil – Gold
- Men's Epee – Silver

ENGLAND FENCING RANKING SCHEME

U17 and U14

In season 2019/20 England Fencing continued to support a diverse range of domestic youth competitions by including them in the Ranking Scheme. This scheme aims to motivate young fencers to compete domestically and be the mechanism for selection to the International Youth Development events.

To ensure geographically we were offering the best opportunities, we increased the number of competitions to include the Youth Series. This 6-weapon circuit provided four age groups with a high standard refereeing and organisation located at northern based clubs who also benefited from much needed income from entries. [video link <https://youtu.be/D7aNTBN3aHk>]

ENGLAND FENCING RANKING SCHEME

U17 and U14

Due to the success of this, England Fencing invited proposals from other competition circuits to be included in the Ranking 2020/2021.

- Paul Davis Academy Sabre competitions
- The Northern Youth Challenge (all weapons)

England Fencing would like to give a huge thank you to the ranking coordinators:

Foil – Debbie Porter – (going forward Ana Garcia)

Epee – Rodney Francis

Sabre – Maxine Foxwell-Moss

YOUTH INTERNATIONAL DEVELOPMENT SCHEME

For young performing fencers to gain international experience, England Fencing selects girls' and boys' squads directly from the domestic ranking and funds them with team kit and entry fees to events that support them in their fencing development.

For season 2019/2020 we increased selection opportunities for England fencers aged U14 and U16 in Europe, using EFC Circuit that ensured high quality environment for our fencers.

These events were

- Epee – Espoo, Finland
- Foil – Paris CEP Marathon, France
- Sabre U15 – Sant Jordi, Barcelona
- Sabre U17 – Moedling, Austria (CANCELLED DUE TO COVID-19)

ESPOO FINLAND 2020 – Epee U17 + U14

<u>U17 Girls Epee Squad</u>	<u>Club</u>

JOHN RAMSAY MEDAL COMPETITION

In 2019, England Fencing put out an invitation for designs for a new medal commissioned by the family of former President John Ramsay who sadly passed away in 2012.

John's career in Fencing spanned more than 50 years and was incremental in establishing the Commonwealth Fencing Federation Technical Commission and became the first Chair in 2002.

As part of that legacy, John's family requested a medal to be presented at the Commonwealth Championships for the men's foil champion. Konstantin Belykh was the successful design from of all the submissions.

England's Ben Peggs who retained this title in Canberra Australia 2018, was the first to be presented with this special award.
