

Nomination for Honours 2022

Background

Each year England Fencing recognises individuals, nominated by EF members, for their services to fencing in England and/or for their work and support in the development of athletes, coaches and volunteers.

This recognition is announced at the AGM and is reflected in the award of “Honours” in the following categories:

- Note of Merit
- Bronze Award
- Silver Award
- Gold Award

Exceptional services are recognised by awarding the honorary title of ‘Vice President’ of England Fencing.

The Honours Committee is made up of the immediate former President, ‘Vice Presidents’ and is chaired by the current Deputy President.

A list is maintained of those receiving honours (past and current) and will be published on the new England Fencing website (currently under construction).
